Driving to Black River and parking on campus is a privilege.

Student parking is allowed in the Columbia Avenue parking lot across from the main building. Parking is limited to the designated spaces available. If all spaces in the front lot are full, students may park in the Lyceum lot bearing in mind elementary pick-up takes precedence. Purchasing a permit does not guarantee a parking space in the Columbia Avenue lot.

I understand that if I do not follow all rules in the student handbook, including driving and prohibited items, my driving privileges may be revoked. Student drivers and passengers must cross Columbia Avenue at the designated crosswalks. Students will NOT drive other students to any off-campus location without written parental permission from both parties. I understand I must keep my vehicle properly insured and registered.

I understand that if my vehicle does not have a valid parking permit, disciplinary consequences may occur, including the potential loss of driving privileges and/or having my vehicle towed at my expense.
