

Elementary/Kindergarten car line info:

Elementary and AM Kindergarten drop-off: At 7:45 volunteers will be out to assist your child out of the car. We ask that your child is ready with backpacks zipped, goodbyes said, and seatbelt unbuckled before the volunteer opens the door. For safety reasons and to keep the car line moving **parents may not exit the vehicle** or allow children to exit through the driver's side doors. Parents with Elementary drop-off only can drive along the South side of the parking lot to avoid the Middle School and Kindergarten drop-off lines.

Kindergarten PM drop-off: Please head north along Columbia Ave. Kindergarten students will exit the vehicle on the passenger side. Volunteers will be assisting the students in walking to the classroom. If the case of inclement weather drop-off will be in front of the Kindergarten building

Elementary pick-up: There will be 4-5 colored pick-up spots. A teacher will see your child's name in your car window (see note below) and have the child go to a designated color, the adult will tell you the color and as the car line moves forward you will drive up to your color and your child will be helped into your car. If your child walks to school they will be dismissed through the west doors of their buildings. All 1-3rd graders must be picked up by an older sibling or parent outside of the west doors of the 1-3rd building. Please do not enter the building to get your child; they will come out to meet you.

AM and PM Kindergarten pick-up: At the Kindergarten zone a volunteer will assist your child into your car. Please be sure to have your child's name easily visible (see note below).
