

Dear Student and Parents:

A group of parents of Black River seniors have worked together to organize the **Senior Graduation Party**, a celebration event for all Black River seniors on their graduation night. This tradition has become very popular with students and parents, and in recent years most of the graduating seniors have attended the celebration. We have activities planned that should **BE FUN** for everyone including musicians, artists, couch potatoes and athletes.

Because we are a small school it is essential that we know what the participation will be so we can determine what activities we can afford. We have held several fundraising events to help cover some of the expenses of food, transportation, facility and activities for the evening but we still need to charge an admission fee of \$50. We really want all seniors to be able to attend this event so if financial assistance is needed please see your seminar teacher. **Please complete the attached form and return it to school before February 1, 2010.** The admission fee of \$50 will increase to \$60 after March 15, 2010 and will increase to \$70 after April 1.

Pictures of your senior are due NOW! We are preparing a video of all the seniors. To make this video we would like three photos of your senior, specifically from when they were a baby/toddler, middle school age and in high school. You can e-mail them Sonya Ouendag at souendag@yahoo.com. You can also mail them to Sonya at 2363 Bluestar Hwy., Fennville, MI 49408. If you have questions please don't hesitate to call Sonya at 269-543-4332 or 269-650-1774. If you're sending pictures please write your child's name on the back. You may also include a self addressed stamped envelope if you'd like your photos returned.

Also, we are including with this letter is a donation letter. If you know of any companies or organizations that might be willing to contribute merchandise or money towards our Senior Graduation Party, please send a copy to them with your name signed at the bottom. Any and all donations are appreciated and help to make this event even better for the students.

As fellow parents, we have volunteered our time and services to coordinate this event, and we have done our best to ensure that the events that have been planned will be professionally managed and fun for all of our students. However, we cannot in any way be responsible, for the actual management, supervision, or operation of the events on the night of graduation.

If the Student will not have attained the age of 18 by the date of this event, the parent will have to sign the Consent & Release form on the enclosed form. If the Student will be over 18 on the date of the event, they will sign the Consent & Release form. By signing the attached Consent and Release form and remitting the admission fee for the student's participation in the Senior Graduation Party 2010, you are acknowledging that we, the organizers, have not assumed any liability to you or your son or daughter during The Senior Graduation Party 2010.
