**Elementary/Kindergarten car line info:**

**Elementary and AM Kindergarten drop-off:** At the drop-off time volunteers will come out to assist your child out of the car. We ask that your child is ready with backpacks zipped, goodbyes said, and seatbelt unbuckled before the volunteer opens the door. For safety reasons and to keep the car line moving **parents may not exit the vehicle** or allow children to exit through the driver's side doors. Parents with Elementary drop-off only can drive along the South side of the parking lot to avoid the Middle School and Kindergarten drop-off lines.

**Earliest Elementary drop off time: 7:45**

**Earliest AM Kindergarten drop off time: 7:45**

**Kindergarten 11:55 drop-off:** Please head north along Columbia Ave. Kindergarten students will exit the vehicle on the passenger side. Volunteers will be assisting the students in walking to the classroom.

**Elementary pick-up:** There will be 4-5 colored pick-up spots. An adult will see your child's name in your car window (see note below) and have the child go to a designated color, the adult will tell you the color and as the car line moves forward you will drive up to your color and your child will be helped into your car.

**AM and PM Kindergarten pick-up:** At the Kindergarten zone in front of the building a volunteer will assist your child into your car. Please be sure to have your child's name easily visible (see note below)

Students may only be dropped off in the zone of their own building, if you have a kids in multiple buildings please be aware of the different drop off times.

If someone other than the student's parent will be picking the child up a note needs to be given to the teacher ahead of time.

**IMPORTANT .....**  
**PARENTS:** Please write your child's name (eldest if you have more than one to pick up) in large letters and place it on a window of your car where it can easily be seen by car line volunteers.

The first couple weeks of car line are always the craziest. There are several points where traffic must merge so remember to take turns and please have patience!!!
