

Odyssey of the Mind

Volunteer Registration

The Odyssey of the Mind Program is made possible by adults who volunteer their time. The Black River OotM Program is in need of Coaches and Judges:

Coaches will meet with teams of 5-7 students on a weekly basis leading up to the Division Tournament. Coaches are responsible for guiding students through the process of solving their chosen problem.

Judges score teams as they present the solution to their chosen problem the day of the tournament.

*There is a training for Coaches and Judges.
