

It's the Final Push for a brand-new outdoor learning environment!

Dear Black River Families,

Thrilling news! Our vision for the outdoor learning environment is nearly complete, all thanks to your dedication and support.

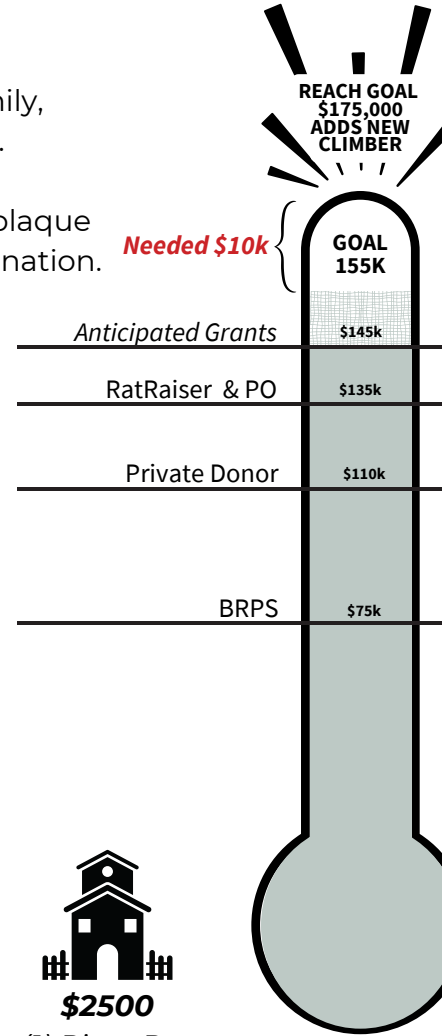

Be a Permanent Part of Our School's Legacy: Sponsor a Brick!

For just \$100, you can sponsor a personalized brick that will be beautifully incorporated into our new outdoor space. This is a special chance for your family, child, or loved one to forever be remembered as part of this milestone project.

For those looking to make an even bigger impact and place their name on a plaque on other structures, we have limited naming rights available at a premium donation. Secure yours on a *first-come, first-served* basis (roweb@brpsk12.org) and prominently display your commitment to education and outdoor learning.

Together, we are not just building an outdoor learning environment; we're creating a legacy for future generations of BR students. Let's finish strong and celebrate the spirit of our incredible community! #WeAreBR!

With heartfelt gratitude and excitement,
BR Outdoor Learning Environment Steering Committee

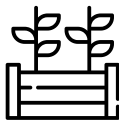

*Private donations of any amount are still being accepted
